Reasons to select Heavy Duty for you next KLAM retarder installation:

1. "Repeat" Buyers: The service and quality of the sale brings 98% customer retention. We strive to make it easy to do business with us and strive to retain your vehicle as minimum of time as possible.
2. Most Experienced: With hundreds of installations each year, you can have confidence in our technicians' ability to provide quality customer support.
3. Number 1 in Customer Satisfaction: It's what they tell us. Find out for yourself – we pride ourselves in making sure our customers are happy with the products we sell and install.
4. National Technical Assistance: We pride ourselves on providing technical assistance to our customers. A live technician is available to help trouble shoot any issues you may have through our innovative ECS (electronic control system).
5. Local partner with national dealer network and global partners: Our parent company Zelu industries has global representation and a strong background in manufacturing. As your local partner, we house KLAM retarders to support an extensive network of dealers throughout the United States.
